VOLUNTEER INFORMATION

REMINDERS

Thank you very much for volunteering as a parent supervisor!

We depend on parents to help during these events to ensure that the children are as safe as possible.

- **PLEASE DO NOT LEAVE YOUR ASSIGNED GROUP UNATTENDED.** We need you to stay for the duration of time for both the rehearsal and recital you have volunteered for.
- Even if your child has finished their dance, please remain with your designated group until they are **ALL SIGNED OUT.** By leaving a group unattended, this puts an added responsibility onto parents trying to watch other groups.

PLEASE DO NOT LET YOUR DESIGNATED GROUP RUN WILD AT THE DRESS REHEARSAL AND RECITAL.

During the dress rehearsal the students and volunteers will be in the audience, but during the recitals the students will be backstage. We have asked parent volunteers to bring games, cards, any CLEAN ideas to keep the students occupied. We need to keep the students together with their groups, as the stage helpers don't have time to chase down students when it is their turn to go on stage. Also, some of the students have costume changes and will need to be moved from group to group.

PLEASE DO NOT ALLOW THE STUDENTS TO EAT OR DRINK DURING THE DRESS REHEARSAL OR RECITALS (WATER BOTTLES ARE PERMITTED). THE ACT THEATRE LEVIES A FINE IF **ANYONE** IS FOUND WITH FOOD OR DRINK IN THE THEATRE. ALSO, PLEASE REMOVE ALL JEWELRY BEFORE STUDENTS GO ON STAGE.

THANK YOU.
