This exciting program is perfect for students and parents who would like to have some extra fun throughout the season and experience the competition scene on a smaller scale, and with less of a time and financial commitment!

This is open to ALL dancers with AT LEAST 2 YEARS of dance experience in the genre wishing to compete in! Dancers are required to continue their recreational class in their same chosen discipline. Each group will then dance in ONE awesome local competition.

These ages are for initial registration. Instructors may shift dancers based on level once they see all dancers in class, and the levels that they are at.
