COMPETITIVE PROGRAM!

This exciting program is perfect for students and parents who would like to have some extra fun throughout the season and experience a bit of the competition scene.

Just on a smaller scale, and with less of a time and financial commitment than that of our Company program! No auditioning is required. This is open to ALL dancers with AT LEAST 2 YEARS of dance experience in the genre wishing to compete in! Dancers are required to continue their recreational class in their same chosen discipline. Each group will dance in ONE awesome local competition.

These ages are for initial registration. Instructors may shift dancers based on level once they see all dancers in class, and the levels that they are at.

Expectations are higher in Competitive classes!

The students must be dedicated in all classes and practice even more often at home. Classes are strictly choreography based so dancers must warm up prior to the start of class and be prepared to learn new choreography. Parents will be contacted if a child is showing up unprepared or not giving 100% in class.
